Manufacturer Provided Description

The largest in the Phantom series, and consequently an explorer on a grand scale. An immense master stateroom with private bathroom, two further double cabins for family and friends, large social spaces in the saloon and up on the flybridge... there is literally nothing to cramp your style. If you love to wander, to stop at new ports to explore and re-stock, and then head out to the quiet spaces again, this is a wonderful boat to do it from.
