Manufacturer Provided Description

It is especially those owners who would like to compete with others in regattas who find the CRUISER 41S the right yacht to put them out there with the front runners without having to compromise on comfort. A taller mast and a slightly deeper keel distinguish the outward appearance of the CRUISER 41S from that of her sister, the CRUISER 41.

Three cabins that can accommodate six people, a generous galley, a spacious saloon – on a CRUISER 41S you don't have to give up anything.
